Pastoral Search Workshop

Join the Conversation!

Saturday, April 25
9:30 am – 12:30 pm, WBC Lower Hall

We're at an exciting and important point in our journey. The workshop planned for April 25th is an opportunity for us to come together, reflect on what we've heard so far, and *dream about our future as a church community*. Your voice matters as we shape our church's future and create a pastoral profile that reflects who we are and who we are called to be.

What we've heard so far

So far you have told us we should seek a pastor deeply rooted in faith, an engaging and authentic communicator, and someone who fosters unity and builds strong relationships. This person is approachable and relatable, bringing wisdom without being overly academic in style. There is a strong desire for leadership that invests in younger families, students, and youth, while also helping our church grow in its presence and outreach within the broader community.

What to expect at the workshop

- Small group conversations about what we've heard so far
- Opportunities to share your hopes and vision for our future
- A chance to help shape the pastoral role and direction of our church

**Your voice / all voices are so important—
Please join us!**
